

Chambers Brook

Volunteer Tree Planting

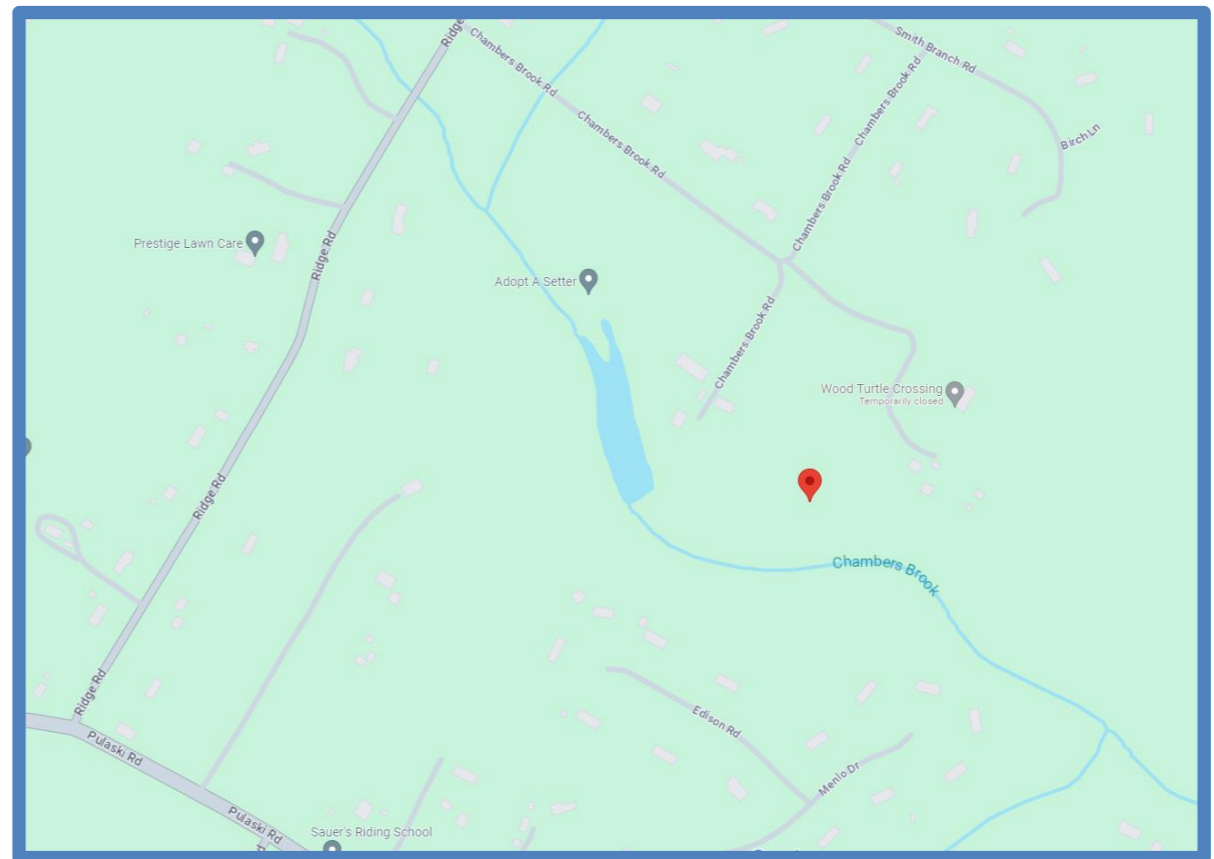

Join Raritan Headwaters Association and Readington Township WaterWatch Committee as we restore the stream corridor along the Chambers Brook. Trees help stabilize streambanks, prevent erosion, control flooding, provide habitat for wildlife, and provide shade which helps maintain cooler temperatures for fish and other aquatic life. Please join us for this important endeavor!

Thursday - Monday
May 2 - 6
9am-4pm

Township of
Readington
New Jersey

Please register in advance for this event by visiting RHA's events calendar:

<https://www.raritanheadwaters.org/events-happenings/>

To coordinate a large corporate group, please contact our Volunteer Coordinator,

Debbie Newcomb dnewcomb@raritanheadwaters.org

For questions about the planting, contact our

Restoration Coordinator, Robert Lucas rlucas@raritanheadwaters.org
