Explore Your Neighborhood Open Spaces!

Take a Sunday afternoon walk to explore the trails in the Township's Holland Brook Headwaters Natural Area. East of the road mowed pathways meander through and around open fields, some left fallow to host wildflowers, butterflies, bees and birds. Across the road on the slope of Cushetunk mountain trails wind through mature woodland. We will walk about 1.5 miles over both level ground, as well as some sloping and rocky areas in the woodland. Dogs on leashes welcomed.

To attend or for questions email trails@readingtontwp-nj.org, or leave message at (908) 782-6452.
