**OTHER:**

**“Rainbow Bridge” memorial:**

- Lynn Henderson, founder of the non-profit NJ Animeals and Lisa Hall, president of the non-profit Readington Trail Association presented an idea for creating a community memorial for people's pets on the Bouman Stickney property.
- Lynn described a “rainbow bridge” that she visited at a different park that was a memorial to people's pets who have passed on. She is proposing converting the bridge at the Bouman Stickney property into a similar memorial by painting the bridge with some muted rainbow colors, posting a custom aluminium sign with the “Rainbow Bridge” poem, and adding cup hooks where owners could hang pet ID tags in memorial of their pets.
- Margaret asked if they had a mark up of what the painting would look like. Lynn and Lisa said they could provide that, but the idea would be a subtle painting on the surface of the bridge with the fading out of pet footprints.
- The committee mentioned concerns about the weathering and flooding causing the paint to weather. Lynn suggested that they might need a coat of polyurethane to keep the painting in place, and also that the polyurethane would possibly need to be reapplied over the years.
- Lisa mentioned that a posting to the newspaper or the township website might work to get the word out about what would and would not be acceptable for owners to leave at the site.
- Lisa also mentioned that she would be willing to do anything needed to maintain the memorial, including putting out only about 100 of the hooks at first, and then add to them as needed.

The committee discussed the proposed memorial, and agreed to discuss it further at the next meeting.

**ADJOURNMENT:** Nancy moved that the meeting be adjourned. Mario seconded the motion. The meeting was adjourned at 9:00 p.m.

Respectfully submitted,

Sarah John
